Hello Alex! I am writing you this letter to offer to go shopping with me this weekend. I hope you won't be busy, since I've been planning to go out with you for a long time. I want to look at some light T-shirts and a spring jacket also. My sister's birthday is coming soon, so I would like to buy her a novel book. I know you like to read, so I think you can help me with the choice. If we go to a bookstore, I think you'll buy yourself a book in general. If you agree, then we will meet on Saturday at 15:00 at the mall. If not, write to me when you are free!

Good bye my dear friend!

Hi, Alex

How are things? I was thinking that I have so many old clothes and you said last week that you wanna buy something new. So I think it will be good if we go shopping together we would be have fun and help each other to choose.

I guess you will be busy on Friday because of your guests so I think we can meet in weekend. It will be nice if you don't mind we can go shopping on Saturday because on Sunday we should do homework. That's why I think Saturday will be perfect time.

You know that I like fashion and I can't wear same clothes everyday. I'm tired of these. I'd like to have new clothes, shoes. I can't wait our meeting. To my mind it will be good if we do shopping list. Let's meet in a shopping mall "Mega Silkway" on Saturday at 12 a.m. I heard it has everything. Let me know what do you think about it.

See you soon
 Ali

Hello, my dear friend. My winter holiday lasts ten days. We were also given homework for those days. Hope I will complete them quickly and rest of the time, I am planning to go to another city during the holidays and walk around the malls and at the same time buy a few things. I will also decorate the house with my family. We will buy every thing you need and we will make decor and origami out of paper. I also want to make gifts to my loved ones: parents, brother, sisters and grandparents. And with friends we want to make a secret santa. This is a when we know to whom we give gifts, and who gives us gifts, we donot know. I think my winter holidays this year will be fun and interesting. And I wish you have a great time too.
